Dear Mr. McLinden:

The Department of Transportation (Caltrans) received a bid submitted by Aldridge Electric, Inc. (Aldridge) for contract no. 07-340604 on November 29, 2018. By this letter, Caltrans notifies Aldridge that its bid is nonresponsive since Aldridge did not comply with the 2015 Revised Standard Specification Section 2-1.10 Subcontractor List, which states in part:

"On the Subcontractor List form, list each subcontractor that will perform work in an amount in excess of 1/2 of 1 percent of the total bid or \$10,000, whichever is greater (Pub Cont Code § 4100 et seq.)."

On the Disadvantaged Business Enterprises (DBE) Commitment form, Aldridge identified Traffic Loops Crackfilling, Inc., as performing work described as bid item 44, Modifying Existing Electrical System Concrete and claimed DBE participation in the amount of \$682,165. However, Aldridge failed to list this item of work on the Subcontractor List form.

Based on the above, Caltrans will proceed to award this contract to the lowest responsive and responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
